Mullan High School students this year voted Mrs. Evelyn Keppner and Mr. Jack Edwards their favorite teachers.

It is to these two people, who have helped us in every aspect, that we dedicate the 1968 Galena.

A.S.B. PRESIDENT'S MESSAGE

I would like to take this opportunity to thank the students for the fine cooperation given to me and members of the student council in carrying out our tasks. Except for a few minor incidents, we have had a very successful year. With the arrangement of the student calendar we have had more time to discuss actual student problems and work on their solution through the year.

COMMITTEES AID COUNCIL'S WORK

Members of the student council committee who organized the calendar of the year's events include (left to right) - Toni Groves, Kim Smith, Elaine Giroux, chairman; Martha Smith, Vicki Murray, and Tom Wofford.

The task of selecting a school ring was given to the ring committee, consisting of Paula Tiitso, Martha Smith, chairman; Cyndi Ford, and Jackie Clarke.

Planning a schedule and securing speakers for the Career Day Program kept the career day committee busy. The committee consisted of RaNae Stotelmeyer, Maureen McEachern, Theresa Trexler, chairman; and Valerie Claypool.

Revising the present student handbook and preparing a new one was the task of the handbook committee. Members are: Martha Smith, Jackie Clarke, Cyndi Ford, Kim Smith, chairman; Tom Wofford, and Paula Tiitso.

John Fealko, a 1942 Mullan High graduate, reported to the staff that a former Mullan athlete named Jack Conwell gave Mullan their mascot name of "Tigers."

In the years 1927-28-29-30 any member of the athletic team was called a wearer of the "M." The "M" Club was formed in 1930-1931 when Fritz Baier was coach.

In the spring the club held their annual initiation for eight initiates who went through the initiation and served a picnic lunch for the old members.

Another spring activity of the club was the supervision of the painting of the "M" by the freshmen.

THIRD ROW: Shelley Dooling, Cheryl Decker, RaNae Stotelmeyer, Virginia Sutton, Mary Shipman, and Joyce Moreau, vice president. TOP ROW: Kim Smith, Toni Groves, and Terri Engebretson.

This year the Pep Club made new additions to the club. Not only did they get thirteen initiates, but they also gained the "Purple Phantom," a large stuffed tiger used along with the cheers of the pep club to spur on school spirit.

In addition to cheering on the team, the pep club took tickets at all games, sold purple and white shakers, had a swimming party, made signs for all games, handed out basketball programs, fed the Clark Fork basketball team, and the initiates gave a dinner for all senior members and advisors.

The Pep Club was organized in the school year of 1940-41 under the presidency of Lucille Olson, with Helen Posnick as vice-president.

FHA ENLIGHTENS SCHOOL

Pictured at the right are Theresa Trexler and Joyce Moreau. This year Theresa was Vice-President of State Degrees and Joyce Moreau was District I Treasurer.

As Mullan's first state officer, Theresa attended state convention in Pocatello and national convention in Los Angeles. Joyce Moreau will participate in the District I convention to be held in the fall in Coeur d'Alene.

Under the presidency of Elaine Giroux, FHA sponsored many different activities. Some of their projects included sewing for the Lewiston Children's Home, contributing to Opportunity School in Silverton, cleaning the city streets, and a weekly ice cream bar sale, which proved to be very profitable and enjoyable to everyone.

FUTURE TEACHERS GAIN EXPERIENCE

During the 1967-1968 school year the Mullan Chapter of Future Teachers gained knowledge and skill through their teaching experiences. Various members of the club substituted for grade school teachers throughout the year.

Activities the club enjoyed were the annual teachers' reception in the fall, the mid-winter conference in Moscow, a swimming party, and installation of new officers in the spring.

After years of planning, the Ski Club this year made its long-anticipated trip to Schweitzer Basin. Senior members can remember planning this trip when they first joined Ski Club in junior high.

Below-zero weather greeted the group when they arrived in Sandpoint, so not much skiing was done. Local weather the past year was not as favorable as it might have been; however, club members enjoyed many hours of skiing.

For their size the Tigers had a great football season, the only loss being a forfeit of the last game to their rival Kootenai because of injuries and lack of bodies. Most of the players were willing to play and thought we could have won the last game. Mullan played most of the season with 13 or 14 players.

The Mullan Tigers started the year in grand fashion by beating the Wallace Miners 59-61 in the first game ever played in the new athletic pavilion. The hustling Tigers went on to a 23-3 season, winning both conference and district championships and placing third in state competition. Don Almquist, who averaged 22 points a game, and Russ Moultrie, who led the Tigers in rebounds, paced the Tigers throughout the year.

THE FUTURE FAVORS THE BOLD!

Twelve years ago these twelve students met in their first grade room to start their school life. The first three years of grade school were full of fun, and in that grade they moved to the new grade school. During the fourth, fifth, and sixth grades they became more sophisticated and started socializing. When they left for junior high school, forty-eight students were in the class.

Junior High was quite different; the rotating system of classes and different teachers for each class weren't too easy to adjust to. Those two years were full of parties and record dances. The end of junior high brought the picnic at Finney's Resort, which no one will forget!

As freshmen, we got the taste of high school life with all the activities it offered. All joined different organizations and were busy with money-making projects. The sophomore year brought more work and more fun. Our sophomore-freshman party we recall well! Ordering our class rings really set off our sophomore year.

Selling concession refreshments, sponsoring more dances, more work (and fun), and building our wonderful prom, "In the Misty Moonlight," highlighted our junior year. Oh, yes, and the new athletic pavilion was started. As seniors, we felt quite grown up. Among our memories is going to the state basketball tournament in Lewiston, playing basketball in the new pavilion, swimming in the new pool, and, of course, graduation and baccalaureate.

It's said that parting is such sweet sorrow. Well, maybe so; but with the happy times, fond memories, and lasting friendships to aid our sweet sorrow, the future is for the bold - the ones of 1968!
